PRELIMINARY AMENDMENT

Sir:

Prior to acting on the Request for Continued Examination (RCE) submitted concurrently herewith, the Applicant respectfully requests the Examiner to enter the following amendment and to consider the following remark.

Additionally, it has been noted that on the Advisory Action mailed on August 31, 2005, the Examiner checked box 1(a). Since the Advisory Action was mailed after the end of the period to reply to the Final Rejection, Applicant believes that the Examiner should have checked box 1(b) ("The period of reply...(1) the mailing date of the Advisory Action...") However, to expedite prosecution of this application, Applicant has enclosed payment for two (2) months Extension of Time (\$225), rather than payment for one (1) month Extension of Time (\$60) recognizing that the Examiner will cause a credit the Applicant's account once the Examiner clears this oversight.
